* I understand that effective August 20, 2008, importers are required to provide CBP with First Sale Declaration for all entries that qualify for such a declaration and based on my declaration, my broker is authorized to place the "F" indicator next to the declared value at the line level on CBP Form 7501. I understand that CBP is required to collect this information pursuant to section 15422(a) of the Food, Conservation, and Energy Act of 2008. CBP will then report this data to the International Trade Commission
